<b>CHANGE DESCRIPTION:</b>											
<p>The cameras have undergone a board change. As a result, firmware version 1.17 has been released. Cameras with new hardware are not backwards compatible with older versions of firmware. Cameras with old hardware are fully compatible with all firmware versions. Current shipping firmware will be updated to version 1.17.</p> <p>Point Grey does not anticipate any product specification or functionality changes as a result of this change.</p>											
<b>REASONS FOR CHANGE</b>											
Product improvement.											
<b>CUSTOMER ACTION REQUESTED / REQUIRED</b>											
Customers who wish to evaluate the new camera firmware can download the firmware from Point Grey's <a href="#">website</a> . Please see the firmware release note for a list of changes.
